

Dannie Duluth Consignment

TERMS & CONDITIONS ON 60 DAY CONSIGNMENT

PRICING: Sellers earn 40% commission of the selling price of your items. We will actively sell your items for 30 days (select items will also be photographed and listed to sell online). If any items do not sell, they are marked down 1/2 price for an additional 30 days. After 60 days if your items do not sell at the reduced price, they will be donated to a local Duluth charity. Exceptions made for very expensive designer items (you will receive 50% of the selling price). These items will be reduced in price eventually at our discretion and will be returned to you if they do not sell in the store or online. Some items stay at 1/2 price longer than 60 days and you are still paid 40% of the selling price, until they are donated. Very rarely, if an item is missed during the markdowns and stays on the floor at the original price, longer than 30 days, you are paid 20% for that item. This happens very rarely.

PAYMENT: When your items have sold, you will receive 40% of the selling price. Checks are mailed twice a month on the 1st and 15th of each month (minimum amount \$21), minus a small 85¢ fee for check postage and handling. Balance owed less than \$21 can be used as a store credit or we always encourage consigners to bring in more items to bring your payment check up to the minimum!

WHAT WE ACCEPT: Dannie Duluth accepts women's seasonal clothing and upscale shoes & purses. Must be in very good condition, usually less than two years old or classic in design. We are selective for clothing consignments, and your garments must pass our quality standards (no signs of wear, no damage, no alterations). Items that we do not accept will be returned to you immediately.

HOW TO CONSIGN: Bring your items clean, pressed and on disposable (wire or plastic) hangers to Dannie Duluth. We will not accept clothing items that are not on hangers, as we need to be able to place them on a rack and quickly look through your items to make sure they pass our quality standards. Please don't use your good hangers that you want returned! If you don't have disposable hangers, we are happy to provide hangers for you - please visit the store PRIOR to dropping off your items to pick them up. Once we have accepted your items, we are happy to give you wire or colored plastic replacement hangers.

- ✓ No appointment necessary!
- ✓ There is no limit to the amount of clothing items you can bring in at a time
