

Dannie Duluth Consignment

TERMS + CONDITIONS

PRICING: Sellers earn 40% commission of the selling price of your items. We will actively sell your items for **30 days**. If any items do not sell, they are marked down ½ price for an additional 60 days. After 3 months, if your items have not sold, they will become property of Dannie Duluth and will be donated to a local charity at our earliest convenience. Some items that are brought in at the start of a new season, or are better quality items, will stay at the full price for **60 days** and then be marked down ½ price for an additional 60 days before they are donated at our convenience. Exceptions are made for very expensive designer items (you will receive 50% of the selling price). These items will be reduced in price eventually at our discretion and will be returned to you if they do not sell in the store or online. Very rarely, if an item is missed during the markdowns and stays on the floor at the original price, longer than 30 days, you are paid 20% for that item. This happens very rarely.

PAYMENT: When your items have sold, you will receive 40% of the selling price. Checks are mailed twice a month on the 1st and 15th of each month (minimum amount \$21), minus a small 99¢ fee for check postage and handling. Balance owed less than \$21 can be used as a store credit or we always encourage consigners to bring in more items to bring your payment check up to the minimum. If you do not wish to bring in any additional items for consignment, please stop in the store to close your account and any money owed to you will be paid to you in cash. Dormant accounts that are inactive for more than 5 years will be closed and you will forfeit any funds earned that are less than the minimum check.

WHAT WE ACCEPT: We are selective for clothing consignments, and your garments must pass our quality inspections. Items that we do not accept will be returned to you immediately.

- ✓ Women's seasonal clothing and upscale shoes and purses.
- ✓ Must be in very good condition, usually less than 2 years old or classic in design.
- ✓ No sign of wear, no damage, no alterations.
- ✓ We accept up to size XL, and some plus sizes.

HOW TO CONSIGN:

- ✓ Bring your items clean, pressed and on disposable (wire or plastic) hangers. Once we have accepted your items, we provide wire or colored plastic replacement hangers, or visit the store **PRIOR** to dropping off your items and we will provide hangers for you.
- ✓ No appointment necessary
- ✓ No limit to the amount of clothing items you can bring in at one time

✗ We will not accept clothing items that are not on hangers as we need to be able to place them on a rack and quickly look through your items to ensure they pass quality standards. Please don't use your good hangers that you want returned.
