Consignment Terms & Conditions:

Item Acceptance & Pricing

Acceptance of merchandise and all pricing decisions are at the sole discretion of Dannie Duluth staff.

Our store pricers determine the pricing of your items, which depends on brand, condition, demand, and current resale trends based on our store's sales data and online marketplaces. For many everyday brands, resale prices in our store fall around 80–90% below original retail. Premium brands, new-with-tags items, and high-demand items may price higher.

Items discovered to be damaged or flawed after initial inspection may be sold at a discount or donated to a local charity at our discretion. Dannie Duluth does not contact consignors in these situations.

Dannie Duluth reserves the right to adjust prices or discount items at any time to promote sales.

All items are consigned at the owner's risk. Dannie Duluth is not responsible for loss, damage, or theft.

Commission & Markdowns

As items sell, consignors receive a portion of the selling price before tax, which accumulates in the consignor's account at the point of sale:

Selling Price	\$0-\$29	\$30-\$199	\$200+
Consignor Commission	40%	50%	60%

Most items will follow the Normal Markdown Schedule and at Dannie Duluth's discretion Premium and Designer items will follow the Extended Markdown Schedule.

	0 to 30 Days on Sales Floor	31 to 60 Days on Sales Floor	61 to 90 Days on Sales Floor	91 to 120 Days on Sales Floor	After 120 Days on Sales Floor
Normal Markdown Schedule	Full Price	50% Off	75% Off	* Expired	* Expired
Extended Markdown Schedule	Full Price	25% Off	50% Off	75% Off	* Expired

* Expired items that have not sold or been retrieved by the consignor become the property of Dannie Duluth Consignment and may be donated to a local charity.

If you choose to pick up your unsold items, it is up to you to locate and retrieve your items from the sales floor. Staff may assist by providing remaining inventory lists when available.

Payouts & Store Credit

We process payments to consignors on the 1st and 15th of each month for account balances of \$21 or more. There is a \$0.99 fee deducted for processing and postage.

Account balances below \$21 remain on your account and may be used as store credit or remain to continue accumulating until the payout threshold is reached.

If you wish to close your account, please visit the store and remaining balances can be processed.

Accounts inactive for five years may be closed and balances below the minimum payout amount will be forfeited.
